Tenders are to be submitted only in prescribed forms which can be had from this Office and Electrical Sub-Division Offices at Davangere and Chitaldrug or from Offices of Senior Operator, Power and Lighting, Davangere and Chitaldrug, on payment of four annas per form for each work, for being tendered separately in separate sealed covers. The work should be finished before the end of November 1951.

Earnest money should be paid in cash to this Office or in any of the Offices of Power and Lighting of Electrical Department and the receipt for the amount attached to the tender. No cheques will be accepted. No deposit is to be paid directly to the Treasury.

Copies of the estimate, drawings and plans can be had for inspection either in this Office or in Electrical Sub Division Offices at Davangere and Chitaldrug for the respective works.

Quantities given in the schedule are approximate and drawings tentative only and are liable to alterations.

Cement and steel will be supplied by the Department at the Departmental Stores at control rate *plus* 15 per cent incidental charges.

The Department does not undertake to supply lorries. The contractor has to make his own arrangements for water supply, transportation of materials, etc.

The contractor should himself pay royalties, sales-tax or any other tax that may be prescribed by the Government from time to time.

For non-tendered items, the minimum schedule of rates will be given if the items should be scheduled items. The successful contractors shall be bound by the conditions of schedule of contract of the Electrical Department.

Refund of earnest money of unsuccessful tenders will be arranged through the respective offices through which the amount was originally remitted.

No conditional clause will be accepted.

Rates need not be quoted for items for which lumpsum provisions are made.

The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary agreement on receipt of intimation of acceptance of his tender.
